

Christmas Turkeys 2020 and more!

Whole birds, Breast Roasts and Turkey Crowns available this year plus home made by Bill at The Swan - mince pies, Christmas pudding, wonderful family size meat pies, home cooked hams, sausages and seasonal Veg boxes - a local, one stop, contactless, pop up Christmas shop!

Local Free Range Bronze, Free Range Traditional White and Organic Bronze Turkeys - all reared and processed within 30 miles of East Grafton and a donation from each sale will go to St Nicholas' Church East Grafton and Wiltshire Search and Rescue. Thank you for your support - last year we donated £700 to charity!

The Organic birds are reared by local organic farmers in Vernham Dean and the Free Range ones are reared on a farm high up on the Berkshire Downs by Walters Turkeys - see www.waltersturkeys.co.uk The turkeys are kept to high welfare standards in spacious barns with a deep straw bed, perches and with access to large grass paddocks. The birds are allowed to grow slowly and mature naturally before they are traditionally prepared, dry plucked and hand finished before being hung for at least 7 days and come wrapped in greaseproof paper and boxed with vacuum packed giblets and a pop up timer. The careful rearing and processing gives a really traditional turkey - tender and full of flavour. They have been awarded several Great Taste Awards over the past few years.

Prices are fixed for each size (to make ordering and collection easier) and birds must ordered by 6th Dec and to allow for contactless collection fully paid for in advance by 10th December.
Contactless collection from The Swan, Wilton 23rd Dec 9.30 to 12.00 noon.
